

CERTIFICATE OF APPROVAL

This is to certify that the Quality Management System of:

**Tata Steel UK Ltd
Long Products Europe
Tata Steel Rail UK
Scunthorpe and Rotherham
United Kingdom**

has been approved by Lloyd's Register Quality Assurance to the following Quality Management System Standards:

ISO 9001:2008

The Quality Management System is applicable to:

Finished processing of heavy track rails, strings of flash butt welded rails and conductor rails. Management of manufacture of light rails, heat treated rails, special rails for turnout applications, grooved rails, coated rails, bridge and crane rails, steel sleepers, sleeper plates, fish plates and base plates. The management of associated design and development projects. Project management and consultancy services relating to provision of railway technology research and development associated with track systems and componentry, vehicle-track interaction and management systems.

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.
